

MI-WFP-X

MI STAINLESS STEEL FLOOR MOUNTED TOILET PAN

DESCRIPTION

The WC-WFP-X Warden wall faced pan is a floor mounted high security toilet pan designed and tested to be vandal-proof and avoid ligature points wherever possible. Constructed with heavy duty 304 stainless steel.

Features include water efficient 6/3 flush, vandal and ligature resistant.

Ideal for use in applications requiring a high degree of vandalism protection including prisons and mental health facilities.

INSTALLATION

- Floor mounted.
- 3/6L flush meeting WELS 3 Star performance requirements.
