

MI-WFPD-x

MI STAINLESS STEEL FLOOR MOUNTED ACCESSIBLE PAN

DESCRIPTION

The MI-WFPD-X MDI Stainless steel floor mounted accessible toilet pan is a floor mounted high security toilet pan designed and tested to be vandal-proof and avoid ligature points wherever possible. Constructed with heavy duty 304 stainless steel.

Features include water efficient 6/3 flush, vandal and ligature resistant.

Ideal for use in applications requiring a high degree of vandalism protection including prisons and mental health facilities.

INSTALLATION

- Floor mounted.
- 3/6L flush meeting WELS 3 Star performance requirements.
- Access panels on both side of pan for easy access.
- AS1428 Compliant
